Greetings Yoncalla Elementary School Families,

We have good news! We will start with in-school learning with our 4th-6th grade students on Monday, November 9th. Our Pre-K – 3rd grade have been doing a great job and having a lot of fun in our building already this school year.

School starts at 8:15am and ends at 3:00pm this school year. Our teachers will check student temperatures and visually check for Covid-19 signs first thing in the morning. The State of Oregon has asked us keep a log of this information. At 8:10am bus riders will arrive and all students will go to their class cohort and stay with only that group during the entire school day. We also ask that students bring their Chrome Books back to school to use in the classroom.

Students will be expected to wear masks and socially distance during the school day as the State requires. The reason we are able to add in students now is because of the new guidelines from the State of Oregon. If we continue to have low numbers other grades will be added in.

We are looking forward to having our 4th-6th grade students joining us. Please contact your child's teacher and/or Office if your child needs added to a bus route. If you would like to continue with distance learning, please give the Office a call so we can support your child's education in the way that best fits your family.

Respectfully,

Don Hakala, Principal

Go Eagles!!
