

**AN IMPORTANT REMINDER: PLEASE READ**

**To all School Administrators / Primary Contacts:**

Now that all School Exclusion Letters have been sent by mail to parents, along with copies also provided to schools and children's facilities, please remember that **Exclusion Day this year is 02/21/2024.**

Per Immunization School Law, schools and children's facilities must send home children whose Exclusion Orders are not canceled by the time class starts on this date. There are no exceptions to exclusion on this date.

On 02/21/2024, please provide DPHN with the total number of students excluded for your school or children's facility. You may provide your totals to DPHN by phone call, email, or FAX.

Please see below for contact information.

For those schools or children's facilities who do not report their totals on Exclusion Day, we will be following up by phone call to obtain them.

Thank you, Mark Stout  
Douglas Public Health Network
