This last month we loaded up, and drove out to Teacher Megan's parent's house for Camp Buckaroo!! Every student experienced sitting on a real saddle, making s'mores, collecting eggs, feeding chickens and of course riding "ponies". It was quite the adventure. Each student received a bandana, hat, and pool noodle pony to take home. We all had a wonderful time at Camp Buckaroo!

Weight Room Grant

Yoncalla High School has received a \$9,000 grant from the Oregon School Activities Association to update its weight room equipment at the school. The new equipment will allow more students to utilize the weight room for both sports and fitness classes. At this point, the fitness classes and the football team are the primary users of the weight room. The goal of improving the weight room is to increase the availability to all groups and genders throughout the community. "We want to make sure that everyone has an opportunity to access our facility and stay healthy," stated third year Health/Fitness instructor Alex Kilmer.

Kilmer is the person responsible for writing the winning grant application and letter to refurbish the weight room. His energy and dedication to fitness and health issues in the school have helped to draw students to his classroom. As a result, there is a need to improve the facility and increase the space where students work out. He will be purchasing his new equipment and it will be used in the newly renovated weight room that is currently being built at YHS.

District Priorities

1. Each student will enjoy positive, engaging learning environments.
2. Each child will possess the knowledge and skills necessary to be successful in post secondary education and careers, and the self-reliance to be a productive citizen.
3. A strong sense of community is recognized and nurtured among all stakeholders
4. Facilities and finances are managed effectively and efficiently for the benefit of each child.

Every 1st and 3rd Wednesday of the month is college t-shirt day. Be proud and wear the college t-shirt of your choice.
