Update

Yoncalla, Oregon Volume 5, Issue 4 December 2019 www.yoncalla.k12.or.us

It is such an honor to recognize Sheryl Braun with the Yoncalla School District's "Good Neighbor Award." Most recently, Sheryl and her husband have tirelessly advocated for structural improvements at both the elementary and high school buildings, ensuring all children have a safe, warm, high quality learning environment.

Sheryl's impact on children and families has a long history in Yoncalla. Not only did she raise her own four children in the community, she was instrumental in supporting other families as both parents entered into the workforce. At times, she would have nearly 20 children in her care. In a recent conversation, Sheryl reminisced about leading children through her family's 20 acres of farm land, playing outside under the oak trees, sharing baby goats and picnics in the tall grass. In addition, she disclosed she "ran a tight ship" and encouraged each child to live up to their full potential. Sheryl prioritized reading to children, sharing her passion for books, and "loving and squeezing on them." Her impacts on the wellbeing of children and families is immeasurable; thank you Sheryl for your tireless efforts in improving the lives of children.

The Second grade had a great Fall term. We have learned so many new things about the First Thanksgiving and Native Americans. We also, did some art projects with

leaves and wrote stories about Fall. We love sharing about our stories and things that we bring from home. The students really enjoy chapter book read after lunch and our favorite book so far is "Danger On Panther Peak." We love hearing stories of real adventures and animals.

The Second grade is a great class of 11 boys and 4 girls. We love going to P.E. and learning new games. WE have enjoyed some great assemblies, a jog-a-thon, and writing letters to Santa. We are looking forward to new adventures in learning after the break.

Smokey Visits the Elementary School

November 21, the elementary had a very special visitor— Smokey Bear. The FBLA/FNRL class at the High School gave a presentation on forest fire safety and how to protect our forests from fires. They showed a couple of videos about how to keep our forests safe and reviewed the five rules about fire safety:

1. Only you can prevent forest fires.
2. Always be careful with fire.
3. Don't play with matches.
4. Always watch your campfire.
5. Make sure your campfire is out completely before leaving it.

It is safe to say that the high school students might have had a better time than the elementary school kids...particularly those that had a certain relationship with

DUNGEONS & DRAGONS[®]

Did you know that YHS has a Dungeons & Dragons club? After school on Tuesday and Wednesday, a group of students gets together in Mrs. Cameron's room to go on an adventure. There are currently six players that come every day, and another three who join in once a week. The students use their imaginations to build characters and help drive the storyline that they are playing. So far this year they have solved riddles, defeated a wide variety of monsters and bad guys, found treasure, fallen in holes, and set off traps, all while on a quest to Undermountain to fulfill a prophecy and discover treasure and magic beyond their wildest dreams. The group continues to grow, and at this rate we are going to have to add a second campaign run by a student to make sure that everyone who wants to play gets a chance to.

Freshman Fundraiser

The freshman class is raising money for a class trip by holding a series of raffles at the high school basketball games. Last week they raffled off a Christmas Movie basket. They will be raffling off a Cozy basket (which includes a fuzzy blanket, a variety of flavors of cocoa, and coffee donated by Mainstreet Espresso) at the game on Saturday, January 4th against Elkton. They also have an ongoing raffle for a salmon fishing trip with Rippin Drag Guide Service. The final drawing for the fishing trip will take place at the game on Friday, January 17th against North Douglas. Tickets for the Cozy basket are \$2 each or \$5 for 3, available at the game. Tickets for the fishing trip are \$5 each, and will be available for purchase at both games.
