## Got Suspension Points

But this suspension is not a bad suspension! On Saturday, Jan 11 YMS Robotics team 25921 CYBER EAGLES participated in Southern Oregon Area Robotics (SOAR) FTC meet 3 at Fremont Middle School in Roseburg. With some help from Roseburg High's robotics team, the team was able to score in the autonomous round. This is when the robot follows a program without any input to score points.

The team was also able to Hang-On the submersible assembly for the first time, scoring extra points. The Cyber Eagles have been working hard to improve each meet. They finished in 16<sup>th</sup> place out of 20 teams. Great job.

The next meet is Saturday February 8. This is the district qualification meet, and they will keep working to move up a few places and qualify.

WORKFORCE TRAINING

# Preschool Update

One of our favorite stories to read in preschool is "The Gingerbread Man."

Each winter, the preschoolers reenact this whimsical tale by rolling out gingerbread dough and tuck them into the oven to cook. Without fail, someone always opens the oven door to smell the delicious cookies, only to provide the gingerbread people with an escape route.

The next day in our pajamas, the students search the elementary school to find the sneaky cookies. This year, the gingerbread was found in Mrs. Ruiz's 2<sup>nd</sup> Grade classroom. Thank you for saving the day, Teacher Sarah!

## Yoncalla School District Priorities

1. Each student will enjoy positive, engaging learning environments.
2. Each child will possess the knowledge and skills necessary to be successful in post secondary education and careers, and the self-reliance to be a productive citizen.
3. A strong sense of community is recognized and nurtured among all stakeholders
4. Facilities and finances are managed effectively and efficiently for the benefit of each child.

# Cancer Care Packages

During Eagle Exploration in November - a two-day event full of college and career visits along with non-traditional educational experiences - a small group of students made care packages for patients undergoing chemotherapy. Working together, students in grades 7-12, made 10 care packages that were donated to the Community Cancer Center in Roseburg. These care packages included a tie blanket, puzzle and coloring books, color pencils, and a specialty handmade card by students in Mrs. Westbrook's activity, wishing them well and messages of holiday cheer.
