## Graduation 2021

Yoncalla High School had 35 students walk on June 11. It was one of the largest classes in recent memory. There are students who are going straight to the workforce, those going into the military, trade schools, and to two and four year colleges. Congratulations to all.

Ms. Shilling's class prepares to release steelhead into a local creek.

### News from 3<sup>rd</sup> Grade!

Spring came and all of a sudden school is almost out! Where did the time go? One of the highlights of the year was getting the winter steelhead eggs and watching them develop into fry and releasing them into the creek to start their lives in the wild! Mr Hakala came along too! Our class really likes artwork and we got to do quite a bit of it over the year! We all agree that we are so tired of wearing masks and hope next year we won't have to wear them! Many of us participated in the afterschool program once a week to play games and learn how to collaborate in a positive way! Mrs. Shilling is retiring and will be moving away! We will have a new 4<sup>th</sup> teacher next year and we are sooo ready to move onto 4<sup>th</sup> grade!!!!

\* THE Adventures OF Huckleberry Finn \*

The first good town we come to...do the Richard III fight and Romeo & Juliet!

"Prepare to die" Bogus Drunk

Shakespearean Revival??  
Wonderful Attraction!! For one night only!  
Romeo & Juliet  
Richard III  
Hamlet's Soliloquy

Ms. Edera gets new tables and some “help” from her students.

### Student of the Month

Gina Santos  
Yoncalla High School

Hailey Craig  
Yoncalla Middle School

### Yoncalla School District Priorities

1. Each student will enjoy positive, engaging learning environments.
2. Each child will possess the knowledge and skills necessary to be successful in post secondary education and careers, and the self-reliance to be a productive citizen.
3. A strong sense of community is recognized and nurtured among all stakeholders
4. Facilities and finances are managed effectively and efficiently for the benefit of each child.

## Update from the Preschool

What a crazy month! Spring time has given us the opportunity to talk about different animals and plants along with their life cycles. We hatched our own chickens inside an incubator in our classrooms and we grew our own bean plants. Friendships are blooming along with teacher student bonds. Everyday is a chance to grow, learn, expand our minds and make a positive difference!

## Second Grade Update

The Second grade has been working on some great things. They Have been planting corn, radishes, carrots, and flowers. We are looking forward to seeing what sprouts up first and harvesting this spring and fall. They love doing art and writing creative stories and sharing them with the class. They are a hard working group and they have made a lot of progress this year.

We are learning about the Native American culture from Miss Allison, who reads to us and shows us how they lived their lives. The class enjoys learning about energy and weather as well.

Our favorite part of the day is when we get to draw while Ms. Way reads a chapter book to us. We have read a couple of sad stories about dogs, so we are changing it up with a Hardy Boys Mystery. In PE we are playing baseball and learning gymnastics skills. The class loves being outside and learning new things.

A project the 8th graders have been working on in shop.

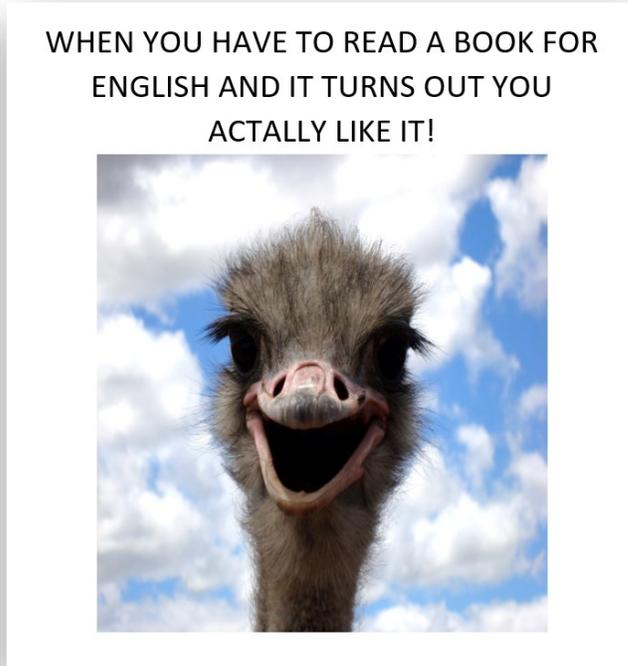

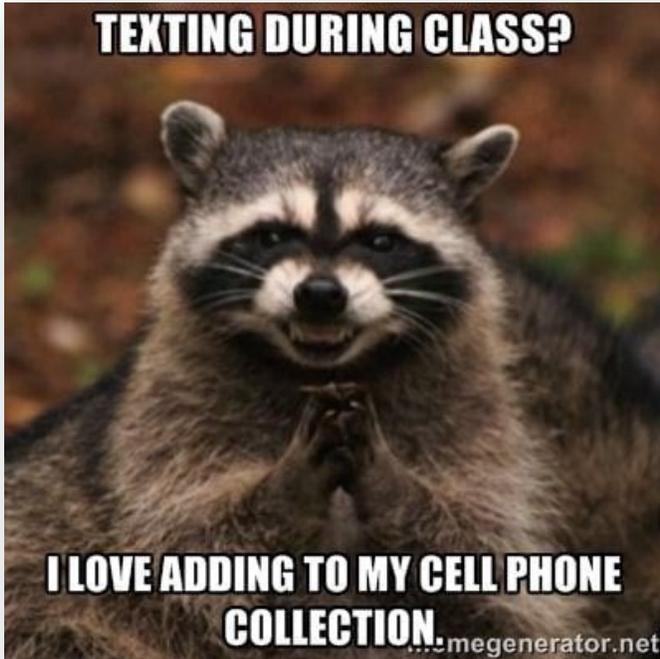

Tiki Turner and her dog house.

Relax with Lilyana Ruiz-Gray and Keianna Glover's deck chair.
