Re: Parent-Teacher Conferences

Dear Parents/Guardians:

The staff at Yoncalla High School cordially invites you to our Parent/Teacher conferences on Thursday evening, **November 5, from 4:00-7:00 PM**. With all the rules and restrictions that we are dealing with, conferences will be held outside in the high school parking lot. State rules for mask wearing will apply. We encourage you to bring your student with you to the conferences. Teachers will have tables set up on the sidewalk with plexi-glass screens and signs to indicate who they are. Please remember to practice state mandated social distancing guide lines of six feet between family groups.

As a general guideline, we would like to invite parents to attend according to the following schedule:

Students last name starting with:	A-I	4:00 pm-5:00 pm
	J-R	5:00 pm-6:00 pm
	S-Z	6:00 pm-7:00 pm

Please pick up your student's first quarter report card at the desk by the music room when you come to the High School and then visit with teacher(s). After you have visited with the staff, you will be able to pick up a pizza to take home with you as our appreciation for you taking the time to meet with us.

In the event that you are unable to meet with teachers at the designated conference time or you wish to meet individually please contact the teacher via email to set up a Zoom conference.
