

**UMPQUA
COMMUNITY
HEALTH CENTER**

North Douglas County Child and Adolescent Immunization Event

WHO: Umpqua Community Health Center (UCHC)

WHAT: Child and adolescent immunizations

WHEN: Thursday, February 7, from 2 p.m. to 6 p.m.

WHERE: 316 West A Avenue, Drain, OR

WHY: Immunizations (also called vaccinations) protect people from deadly diseases like measles and chickenpox that over the years have claimed millions of lives.

In Oregon, school-age children and teens are required to have up-to-date immunizations to attend school. Starting Wednesday, February 20 (Exclusion Day), students who have not submitted to their school proper immunization paperwork will not be able to attend class.

Parents or guardians may submit appropriate documentation of immunization at any time on or after Exclusion Day and their children will immediately be allowed back in school.

AVAILABLE VACCINATIONS

- Hepatitis A
- Hepatitis B
- Tdap
- DTaP
- Polio
- MMR
- Varicella
- Pediarix
- Hib
- Prevnar
- Rotavirus
- Menactra
- Flu

ABOUT UMPQUA COMMUNITY HEALTH CENTER

Founded in 1992, Umpqua Community Health Center is an independent, board-governed, not-for-profit organization that cares for the people of Douglas County by providing high-quality, patient-centered, accessible and affordable medical, dental and behavioral healthcare, regardless of their ability to pay. We are recognized by the Oregon Health Authority as Douglas County's *only* 5 Star Patient-centered Primary Care Home.
