Dear Parent and Guardians:

In the event that the District initiates an Emergency School Closing, Delayed Opening, or Early Dismissal, our Blackboard Connect Automated Notification System will make a phone call to whatever numbers are listed in our student information system. It is extremely important that our schools have your accurate phone information (i.e., home phone numbers, cell phone numbers and work numbers.)

Emergency School Closings

1. Everyone in our Blackboard Connect System will get an alert if current phone numbers are there.
2. During Inclement weather school closings will also be broadcast on Flash Alert Website. <http://www.flashalert.net/id/YoncallaSD>
3. We will also broadcast on local TV stations KVAL, KPIC and KEZI

Delayed Openings

1. Delayed Openings will follow the same process and emergency closing and will give a start time. Please note that delayed openings can also become an emergency opening if conditions warrant a school closure.

Early Dismissals

1. Announcements of Early Dismissals will also be sent via our Blackboard Connect System.
2. Announcements will also be posted on our website.

Building Principals will be responsible for the supervision of all students until they are on the bus or picked up by a parent or guardian.

Please be respectful of time and resources during emergency situations and use the above resources to secure the information before you call the schools.
